SNACKS

Kindergarten:

A snack and milk will be provided for kindergarten students each morning.

Grades 1 – 6:

Student will each bring their own nutritious snack each day.

Snacks should be separate from lunches and something your child can keep in their basket until snack time (about 10:30). Fruit, vegetables, snack-sized bags of cereal or whole grain crackers are examples of good choices.

PLEASE NOTE:

Label all supplies with student's name in, except those marked as do not label, permanent marker.

Supplies may be brought to school when you come for Meet the Teacher. Specialists may require additional school supplies after school begins.
