Annual Tuition Credit Earned by Family (If ordered 12 months): **\$367.47** **\$367.47** **\$81.66**

Annual Earned for NIMCS if 30 Families participated at this level: **\$11,024.10**

Imagine what we could do if each family asked 2 other friends or families that they know to participate....

Imagine how much we could earn if all our NIMCS families were participating at this level, even our staff....

The possibilities are endless...

And we can do it without spending any more than we would normally spend during the month.
