We have the Ramsey County Trash Trunk in our classroom right now. It is filled with many educational resources such as books, activities, videos, recycled products, and information about the Resource Recovery Facility in Newport, Mn. where much of our trash is turned into electricity. Did you know many of our metro schools use their leftover food waste to feed pigs on Mn. farms? Great idea. Thank you for all the Trash Free Lunches!!!! We had fun and it was just another way to model and talk about the different things we can do to help our environment. The class decided that everyone can help by purchasing snacks and food in less packaging. If more people stopped buying items with so much packaging, manufacturers would change how they present their product. It may take more time to get snacks and lunches ready, but it would cost less and we sure would be helping our God given creation.

HELP! Mrs. Willis needs 2 goals w/ nets put together & a floor mat cleaned, They are needed now for current phy.ed. activities. This could be done after school, and could be part of your 20 hours of volunteer time if that hasn't been completed yet. Please let Mrs. Lindbeck know if you can help.

Bible Verse

Salvation is found in noone else. Acts 4:12 We are learning about Jesus calling his 12 disciples, to follow him not only where He went but more importantly to follow His actions-showing kindness, forgiveness, and telling of God's grace.

Don't Forget

Mittens are the January Mission Project. They will be collected for a clothing shelter this month.Thanks for those already sent.

FYI

*Do any of these belong to you:
2 Old Navy short sleeve shirts in a Coburn's bag, 2 long sleeve navy shirts, a V neck cardigan, & a white short sleeve blouse w/ a Peter Pan collar. They were sent in for monogramming, & are in the school office. Please call if they are yours.

*Library is on Monday, and I encourage the students to be checking out a new book every week or every other week. Please check to see if there are any library books at home that are past due. Also, I have a great selection on my shelf that can be checked out as well.
